

Graveyard - Slow Motion Countdown

tom:
Intro: Gm Dm A Gm Dm

Gm
How long, how long
Dm
Lower than the sea
Gm
To let you go
Dm
Too far to even try to reach
Bb Dm
And don't you even try to let it go
Bb Dm
While everything around me is breaking down so slow
Gm Dm
Where will you go when we all fade away?
Gm Dm
Where is your civil time about the sun makes to us
Bb Dm
So when you walk outside to see the reasons for
Bb Dm
Do not forget the light that doesn't make you grow

Ab
But you're staying home at just the saddest news
Gm
There is no side to chose
Ab
And the numbers grow and push you down so low
Eb Gm Dm Cm Dm
You'll never let it lose, don't ever let it loose
Eb Gm Dm Cm Dm
Oh, was it a low way down to leave us behind?

Gm
So stay where you are
Bb
Come on, write them all
Eb Cm
But if the skies will fall I'll be asking for you
Gm Bb
No one wants to see your cold the way the others do
Eb Cm
If these are your prayers I won't follow you through

Gm Bb Eb Cm
When the flame turns blue
Gm Bb Eb Cm
Not even you will lead us through
Intro: Gm

That's when you will never go
Dm
If you see me, I move slow
Gm
My head rolls off
Dm
I spread the bands where I go

Like all your loved ones play the best part of your all

I can help you, now, when you ask me how
Gm
I see the trouble in your way
Ab
If you ran out time, you just stay in line and
Eb Gm Dm Cm Dm
Don't ever let it lose, don't ever let it lose
Eb Gm Cm Dm
