

# Graveyard - Stay For a Song

Tom: Gb

I might not be much to look at  
 And I might not have much to say  
 But if you let me love you, baby  
 There's a good chance you're gonna stay

Smooth-talking, dancing and bragging  
 Honey, it's never been my thing  
 Maybe my voice can give you comfort  
 If you stick around to hear me sing

Oh, won't you stay for a song?  
 Oh, won't you stay one more song?  
 Oh, won't you stay one more song?

Won't you stay one more song?

My place among all lovers  
 It sure ain't number one  
 Although I am good in love  
 For you to miss me when I'm gone

On stage while I face a crowd of people  
 Inside I still feel alone  
 But I know I'm a decent singer  
 And most days I can keep my tone

Oh, won't you stay one more song?  
 Oh, won't you stay one more song?  
 Oh, won't you stay one more song?  
 Won't you stay one more song?
