

# Green Day - 2000 Light Years Away

Tom: C

C G  
I sit alone in my bedroom  
Staring at the walls  
I've been up all damn night long  
My pulse is speeding, my love is yearning

Am C  
I hold my breath and close eyes

Am G  
And dream about her  
F G C  
Cause she's 2000 light years away  
She holds my mala kite so tight so  
Never let go  
Cause she 2000 light years away

I sit outside and watch the sunrise  
Lookout as far as I can  
I can't see her, but in the distance  
I hear some laughter, we laugh together
