Green Day - 86

Tom: E
Intro: E   Ab   A
Verse:
```
E                         B
      What brings you around?
B               A                              E
      Did you lose something last time you were here?
E                         B
      You'll never find it now.
B            A                    E
      It's buried deep with your identity.
```
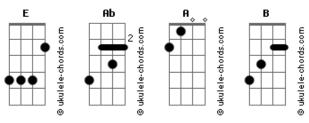

Pre-Chorus:
```
  B                         A
      So stand aside and let the next one pass.
  B                         A
      Don't let the door kick you in the ass.
```

Chorus:
```
  E         Ab            A
    There's no return from EIGHTY SIX.
  E         Ab            A
    There's no return from 86.
```

```
  E         Ab            A
    There's no return from 86.
  E         Ab            A             E         Ab
    There's no return from 86    DON'T EVEN TRY
```

Verse 2:
```
E                 B
      Exit out the back
B                            A                    E
      and never show your head around here again.
E                      B
      Purchase your ticket
B                      A                  E
      and quickly take the last train out of town.
```
