Waiting in a room
All dressed up and bound and gagged
To a chair
It's so unfair
I won't dare move, for the pain
She puts me through is what I need
So make it bleed

I'm in distress, oh mistress I confess so do it one more time These handcuffs are too tight

You know I will obey, so please Don't make me beg For blood, sex and booze you give me

Some say I'm disturbed But it's what I deserve, another lesson To be learned...from a girl called kill

My head is in the gutter Thank you sir, strike up another mandolin Of discipline Throw me to the dogs Let them eat my flesh down To the wood
