

## **Green Day - Cigaretts And Valentines**

```
Intro: Gb B E (3x)
      Db
      E Gb
E Gb (baixo)
     I don't wanna go back home
     I don't wanna kiss goodnight
                                           F Db
             Gb
     Let us paralyse this moment till it dies
To the end of the earth
        E
Under the valley of the stars
There's a car crashing
                 Ε
Deep inside my heart
Take a ride thru the avenue
 Е
              Gb
Across the great divide
There's a siren screaming
                  E Db
"I'm alive" it cries
     Gb
Red alert is the color
      Е
Of your paper valentine
Intertwined on this
               F
Moment passing by
Till passing by!
( Gb B E ) (3x) ( Db )
