

Green Day - Geek Stink Breath

```
Intro: /Riff:
                                                                and I'm picking scabs off my face.
G, E(barre) / B (é X244XX, nao 799XXX)
                                                                G, E(barre) / B
                                                                G, E(barre) / B
                                                                G, E(barre) / B
G(PM) / F(PM) G(PM) / F(PM)
                                                                G, E(barre) / B
I'm on a mission, I made my decision
G(PM) / F (PM) G(PM) / F (PM)
                                                               G, E(barre) / B
                                                               G, E(barre) / B
to lead a path of self destruction,
                                                               G, E(barre) / B
G, E(barre) / B
                                                                Verse#3:
and it's rotting out my teeth.
                                                               F
Bb
                                                               to lead a path of self destruction, G(PM) / F (PM) G(PM) / F (PM)
I'm on a roll, no self control
I'm blowing off steam with methamphetamine,
                                                               Wish in one hand, shit in the other G(PM) / F (PM) G(PM) / F (PM)
Don't know what I want, and that's all that I've got
                                                               and see which one gets filled first.
and I'm picking scabs off my face.
                                                               Chorus:
                                                                         F
                                                                               Bb
                                                                I'm on a roll, no self control
          F (PM) G(PM) / F (PM)
G(PM) /
(NO WORDS)
G(PM) / F (PM) G(PM) / F (PM)
                                                                I'm blowing off steam with methamphetamine,
                                                               Don't know what I want, and that's all that I've got
Every hour ,my blood is running sour
G(PM) / F (PM) G(PM) / F (PM)
and my pulse is beating out of time G(PM) / F (PM) G(PM) / F (PM)
                                                               and I'm picking scabs off my face.
                                                               G, E(barre) / B
                                                               G, E(barre) / B
l found a treasure, filled with sick pleasure
G(PM) / F (PM) G(PM) / F (PM)
                                                                G, E(barre) / B
and it sits on a thin white line.
                                                                G, E(barre) / B
Chorus:
                                                                Outro:
               Bb
                                                               G, E(barre) / B
Bh
I'm on a roll, no self control
                                                                Geek,
                                                                G, E(barre) / B
I'm blowing off steam with methamphetamine,
                                                               Stink,
                                                              G, E(barre) / B
Don't know what I want, and that's all that I've got
                                                               Breath.....
