

Green Day - Give Me Novacaine

Tom: **A**
Intro: **A Gbm Bm E**

A
Take away the sensation inside
Bm **E**
Bitter sweet migraine in my head
A **Gbm**
It's like a throbbing tooth ache of the mind
Bm **E**
I cant take this feeling anymore

D **A**
Drain the pressure from the swelling
D **A**
The sensations overwhelming
D **Gb**
Give me a long kiss goodnight and everything will be alright
B **E**
tell me that i wont feel a thing
A Gbm Bm E
So give me Novacaine

A **Gbm**
Out of body and out of mind
Bm **E**
Kiss the demons out of my dreams
A **Gbm**
I get the funny feeling, that's alright
Bm **E**
Jimmy says its better than air

I'll tell you why

D **A**
Drain the pressure from the swelling
D **A**
The sensations overwhelming
D **Gb**
Give me a long kiss goodnight and everything will be alright
B **E**
tell me that i wont feel a thing
A
So give me Novacaine

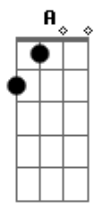

Oh Novacaine

D **A**
Drain the pressure from the swelling
D **A**
The sensations overwhelming
D **Gb**
Give me a kiss goodnight and everything will be alright
B **E**
Tell me that I wont feel a thing
A Gbm Bm E
So give me Novacaine

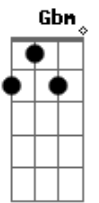

(**A Gbm B E**)

There's also a slide guitar part that plays in the background periodically. It's:
