

Green Day - God Saves The Swine!!

```
will be his destiny
Tom: E
                                                                              suffered death
                the safe is open
                                                                              as of a swine
               have to diffuse!!!!
                                                                 Refrão:
          before the murderers swine
                                                                              to die slowly
                   В
                   kill us
                                                                            will be his destiny
                                                                              suffered death
              to succumb our bones
                                                                              as of a swine
             beginning on the right side
                                                                Solo: EDAEDA (GG#AB )2x
                 but if they run
                                                                              E D A
                it can be that die
                                                                            pigs are wild
                                                                               E D A
 Refrão:
             to die slowly
                                                                           cows are voracious
                                                                             E D A
            will be his destiny
                                                                        humans are disgusting
                                                                             E D A
              suffered death
                                                                       lost the rhyme!!!shit!!!
              as of a swine
                                                                Refrão:
                                                                              to die slowly
          the honest pig
that he pays their bills
                                                                            will be his destiny
          should die never like this
          never, never, never, Shit!!!
                                                                              suffered death
                                                                              as of a swine
