

Green Day - In The End

Tom: A

VERSE 1:

All brawn and no brains
And her all those nice things
Yeah, You finally got what you want
Someone to look good with
And then light to your cigarette
Is this what you really want?

CHORUS:

I figured out
What you're all about
And I don't think I like what I see, soooooo...
I hope I won't be there
In the end if you come around

VERSE 2:

How long will he last

Before he's a creep in the past

And you're alone once again?

Will you pop up again and

Be my special friend

'Till the end? And when will have been?
