Green Day - In The End

Tom: A

```
    VERSE 1:

        A                 G
All brawn and no brains
        A              G
And her all those nice things
        A     G         A    G
Yeah, You finally got what you want
  A         G
Someone to look good with
        A            G
And then light to your cigarette
        A         G          A
Is this what you really want?

CHORUS:

D
   I figured out
E
   What you're all about
        A                     Gb
And I don't think I like what I see,  soooooo...
     D
I hope I won't be there
E                     A  G  A  G
In the end if you come around

VERSE 2:

        A              G
How long will he last
        A              G
```

```
Before he's a creep in the past
A          G         A     G
And you're alone once again?
  A            G
Will you pop up again and
  A          G
Be my special friend
A              G              A
'Till the end? And when will have been?

(CHORUS)

INTERLUDE: A  G  -  2x
