| (Verse 1)                                       |   |
| I sit alone in my bedroom, staring at the walls |   |

| (Chorus)  | Cause' I'm losing what's left of my dignity                                   |
| I hold my breath and close my eyes              | A small price to pay to see that you're happy                                 |
| And dream about her...                          | Forget all the disappointments you have faced                                 |
| Cause she's 2000 light years away               | Open up your worried world and let me in                                      |
| She holds my malachite so tight so              |   |
| Never let go...                                 |   |

|   | (Verse)   |
| (Verse 2)                                       | Juliet's crying cause now she's realizing love can be                         |
| I sit outside and watch the sunrise             | Filled with pain and distrust   |
| Lookout as far as I can                         | I know I am crazy, and a bit lazy   |
| I can't see her, but in the distance            | But I will try to bring you up again somehow                                  |
| I hear some laughter, we laugh together         |   |
|   | (Chorus)  |

|   | Lyrics  |
|   | (Verse 1)   |

Staring out of my window  
Watching the cars go rolling by  
And my friends are gone  
I've got nothing to do

So I sit here patiently  
Watching the clock tick so slowly  
Gotta get away  
Or my brains will explode

(Chorus)  
Give me something to do to kill some time  
Take me to that place that I call home  
Take away the strains of being lonely  
Take me to the tracks and Christie road

(Verse 2)  
See the hills from above  
Standing on my beat up car  
And the sun went down  
And the night fills the sky

Now I feel like me once again  
As I train comes a rolling in  
Smoked by boredom - gone  
Slapped my brains out so high

(Chorus)  
Give me something to do to kill some time  
Take me to that place that I call home  
Take away the strains of being lonely  
Take me to the tracks and Christie road

(Interlude)  
Mother stay out of my way  
Of that place we go  
We'll always seem to find our way  
To Christie road  
Mother stay out of my way  
Of that place we go  
We'll always seem to find our way  
To Christie road

If there's one thing that I need  
That makes me feel complete  
So I go to Christie road its Home... its Home

(Outro)  
Its Home  
Its Home  
Its Home

Lyrics

(Verse)  
I wonder down these streets all by myself  
Think of my future now I just don't know  
I don't seem to care  
I stop to notice that  
I'm by your home  
I wonder if you're sitting all alone  
Or is your boyfriend there

(Chorus)  
Because I feel so right  
Let my imagination go  
Until you're in my sight  
And through my veins temptation flows  
Whoa hoe...  
Out here...

(Verse)  
So I sit down here on the hard concrete  
Think of my future now  
I just don't know  
I don't seem to care  
So I sit across the street from your home  
I wonder if you're sitting all alone  
Or is your boyfriend there

(Chorus)  
Because I feel so right  
Let my imagination go  
Until you're in my sight  
And through my veins temptation flows  
Whoa hoe...  
Out here...

(Chorus)  
Because I feel so right  
Let my imagination go  
Until you're in my sight  
And through my veins temptation flows  
Whoa hoe...  
Out here...

Lyrics

(Verse 1)  
When I was younger I thought that the world  
Circled around me  
But (in) time I realised I was alone  
My year by the thoughts turned in to child's dreams of the  
near future  
It was a tragic case of my reality

(Bridge)  
Do you think your indestructible and no one can touch you?  
Well I think your disposable and its time you knew the truth

(Chorus)  
Cos this is one of my lies  
Oh its just one of my lies  
And all I wanna do is get real high  
But its just one of my lies

(Verse 2)  
Why does my life have to be so small?  
And nothings forever  
And does forever have a plot to call his home  
Don't give me an answer Cos you only now as much as I know  
Unless you've been their once well I hardly think so

(Bridge)  
Do you think your indestructible and no one can touch you?  
Well I think your disposable and its time you knew the truth

(Chorus)  
Cos this is one of my lies  
Oh its just one of my lies  
And all I wanna do is get real high  
But its just one of my lies

(Interlude)  
I used to pray all night  
Before I lay myself down  
My mother said it was right  
Her mother said it too...  
Why?
