

## **Green Day - Missing You**

```
Intro: A E D Gb D E A
                                                                                                                                                                                                                                                                 I'm pounding the pavement Looking
Verse:
                                                                                                                                                                                                                                                                 Chorus:
Waking up, feeling naked
                                                                                                                                                                                                                                                                 I'm missing you
                                                                                                                                                                                                                                                                  A Db D F
In my closest idle room that's vacant
                                                                                                                                                                                                                                                                  I'm missing you
                                                 A Db
Lost my nerve, it's unnerving
                                                                                                                                                                                                                                                                  You're not around
I know there's something i'm forgetting
                                                                                                                                                                                                                                                                 And i am a complete disaster
                                                                                                                                                                                                                                                                  A Db D
Pre-Chorus:
                                                                                                                                                                                                                                                                  I'm missing you
                                                  Α
                                                                          Ε
                                                                                                                                                                                                                                                                  Solo :
I search the moon I lost my head \,
D A E
I even looked under the bed
D A E A
I punched the walls, I hit the streets
                                                                                                                                                                                                                                                                 Bridge:
                                                                                                                                                                                                                                                                   A E D (2x)
                                                                                                                                                                                                                                                                                                                               F#|D|E A
I'm pounding the pavement Looking
                                                                                                                                                                                                                                                                  Well she's my blood,
Chorus:
                                                                                                                                                                                                                                                                 Gb D E A
