Tom: **Gb**

(intro) **Gb B Bm Gb Db Gb Db**

Gb
Sometimes it gets real hard
B **Bm**
And I need some kind of output
Gb **Db**
For input twice the size of my one inch mind
Gb
So slap me on the hand
B **Bm**
Put it right back down my pants
Gb **Db**
Turn me right around.
Gb
Kick me in the ass.

B
Well today I say sweet things
F Gb F Gb
But tomorrow
B
I'll be making up excuses
Db
For my actions cuz it's been so long
Gb
Since I've been in love

B **Bm**
That special kind of feeling
Gb **Db**
Guess my best excuse
Gb **Db**
I'm on the wagon again
B
Well today I say sweet things
F Gb F Gb
But tomorrow
B
I'll be making up excuses
Db
For my actions cuz it's been so long
Gb
Since I've been in love
B **Bm**
That special kind of feeling
Gb **Db**
Guess my best excuse
Gb
I'm on the wagon again
B **Db**
Well I got no real excuse
Gb
I'm on the wagon again
Hey!
