

# Green Day - Reject

Tom: Db

Who the hell are you to tell me  
What I am and what's my master plan?  
What makes you think that it includes you?

So when the smoke clears here I am,  
Your reject all-american  
Sucking up your social sect, making you a nervous wreck  
To hell and back and hell again I've gone

You're not my type.  
Not my type

What's the difference between you and me?  
I do what I want, and you do what you're told  
So listen up, shut the hell up

It's no big deal and I'll see you in hell

(2x)

So when the smoke clears here I am,  
Your reject all-american  
Sucking up your social sect, making you a nervous wreck  
To hell and back and hell again I've gone

You're not my type.  
Not my type  
Not my type  
You're not my type.

So when the smoke clears here I am,  
Your reject all-american  
Falling from grace, right on my face  
To hell and back and hell again I've gone

Gb (8/4)
