C G
I'm rotting inside,
F C
My flesh turns to dust,
F C
Whisper are you dying in my ear.
C (com Riff 1) G
I'm so sick of death,
F C
Tumors in my head,
F C
Whisper are you dying in my ear.

Ab C
Red rose of death.
Ab C
In my fist I clutch.
Ab C
Thorns shred my fingertips.
F G
And drips of toxic blood.

Kiss me one last time,
F C
Cloth off my sweat,
F C

Whisper are you dying in my ear.

As my bones they rust,

With every ounce of trust,
F C
Whisper are you dying in my ear.
