Letra

Shoplifter, you'll never learn When you commit the crime Shoplifter, you're getting burned And now you gotta do the time

It's a 1, 2, 3 on the felony Well not everything is free Now that you served the community It's the life of a petty thief

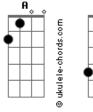

It's not considered stealing Unless you're getting caught But Jimmy be caught stealing Tryin' to take something you haven't got

Shoplifter, you'll never learn What lies behind your back Not a burgler or a bankrobber Just a kleptomaniac

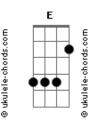

It's not considered stealing Unless you're getting caught But Jimmy be caught stealing Tryin' to take something you haven't got

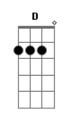

Shoplifter, you'll never learn When you commit the crime Shoplifter, you're getting burned And now you gotta do the time Oh now you gotta do the time Well now you gotta do some time
