

Green Day - Stay Young

tom:
 Here we are, face to face
 Now you're gone, I'm a mess
 There's no words like before
 And there's nothing I can say
 Can't look at you in your eyes (your eyes)
 'Cause everything fades and dies
 Stay young, stay young
 Stay young, stay young
 Stay young, stay young
 Stay young, stay young
 Stay young, stay young
 Stay young, you didn't have to be like like everyone
 So stay young, stay you-
 I regret what we are
 Do you know what we were?
 I imagine you're a star
 Always there overhead
 Now all I can do is pretend (pretend)

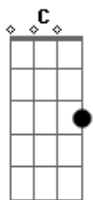

'Cause everything good must end
 Stay young, stay young
 Stay young, stay young
 Stay young, stay young
 Stay young, stay young
 Stay young, stay young
 So stay young, you didn't have to be like like everyone
 So stay young, stay you-

[Solo- Guitarra 1]

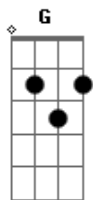

[Solo- Guitarra 2]

So stay young, you can never be like everyone
 So stay young, stay you-
 Stay young, stay young
 Stay young, stay young
 Stay young, stay young
 Stay young, stay young
 Stay young, stay young
 So stay young, you didn't have to be like like everyone
 So stay young, stay young
