Searching for balance, praying for clarity
Ma strip me naked, take this identity
Tell me it's unity
In?lak'ech?ala K'in
I am?you, you are me

Tell me it's unity
In?lak'ech?ala K'in
I am?you, you are me

[Primeira Parte]

I wear clothes, I like to hide
So no one knows what I'm made from
Deep in my soul
Taken from home so far we stroll
Deep in these roads
Think we control this shit, we don't
But fuck we could, I wish we would
Throw away these phones, get a bit more holy
See the world more slowly, take time smell the roses

[Refrão]

Searching for balance, praying for clarity
Ma strip me naked, take this identity
Tell me it's unity

In?lak'ech?ala K'in
I am?you, you are me
Searching for balance, praying for clarity
Ma strip me naked, take this identity
Tell me it's unity
In?lak'ech?ala K'in
I am?you, you are me

[Segunda Parte]

See all I know is that I know
Nothing at all, this shit is so
Mystical, magical
I know we don't know our potential
How could we when they lie, they cast spells
And they try dropping bombs from the skies

Like we are not stars

Inside me there's a war
Gem eye, gem e--y--e

[Refrão]

Ma strip me naked, take this identity
Tell me it's unity
In?lak'ech?ala K'in
I am?you, you are me
