[Refrão]

Searching for balance, praying for clarity
Ma strip me naked, take this identity

Tell me it's unity

In?lak'ech?ala K'in
I am?you, you are me

Searching for balance, praying for clarity
Ma strip me naked, take this identity

Tell me it's unity

In?lak'ech?ala K'in
I am?you, you are me

[Primeira Parte]

I wear clothes, I like to hide
So no one knows what I'm made from

Deep in my soul

Taken from home so far we stroll

Deep in these roads

Think we control this shit, we don't

But fuck we could, I wish we would

Throw away these phones, get a bit more holy

See the world more slowly, take time smell the roses

[Refrão]

Searching for balance, praying for clarity
Ma strip me naked, take this identity

Tell me it's unity

[Segunda Parte]

See all I know is that I know

Nothing at all, this shit is so

Mystical, magical

I know we don't know our potential

How could we when they lie, they cast spells

And they try dropping bombs from the skies

Like we are not stars

Inside me there's a war

Gem eye, gem e--y--e
