

Greg Holden - The Lost Boy

tom:

^G

I left my home still as a child ^G

I walked a thousand soary miles ^G

To wait for my father, to gather up his tools ^C ^G

He said my boy you've got to run ^G

Don't wait for me, don't wait for mum ^G

We'll come get you, when it's safe for us to move ^C ^G

So I waited many years ^C

held back the pain behind my tears ^{Em}

For my father, to come find me like he said ^C ^G

And in that time I was alone ^C

so many years without my home ^{Em}

I made brothers of a different kind instead ^C ^G

Instrumental break: ^G ^C ^G

And in the time I didn't know ^G

just how hard the wind could blow ^G

Towards disaster, and the things that I would see ^C ^G

I never found my father ^G

I never found my mother ^G

Even would I know in my lifetime I will be ^C ^G

^C

A hero into the masses

to those born without chances ^{Em}

There's a freedom that everyone deserves ^C ^G

I know there's greed and there's corruption ^C

I've seen death and mass destruction ^{Em}

But I'm telling you, and I hope that I'm heard ^C ^G

And I will not be commanded ^G

And I will not be controlled ^C

And I will not let my future go on ^{Em} ^C

without the help of my soul ^G

And I will not be commanded ^G

And I will not be controlled ^C

And I will not let my future go on ^{Em} ^C

without the help of my soul ^G

And I will not be commanded ^G

And I will not be controlled ^C

And I will not let my future go on ^{Em} ^C

without the help of my soul ^G

I will not be commanded ^G

I will not be controlled ^C

And I will not let my future go on ^{Em} ^C

without the help of my soul ^G
