Gregory Alan Isakov - Light Year

```
Tom: G
                                                                      The papers and the trash
Intro: G C G C G C G C
                                                                      G
                                                                                      Em
                                                                      Old among the cans
[Verso 1]
                                                                      D
                                                                      This golden love gone bad
G
           Em
I woke you up
                                                                      [Verso 4]
D
                 С
With poetry and stones
                                                                      G
                                                                                 Em
                                                                      Shined it up
                     Em
The ragged and the bones
                                                                      D
                                                                      Aiming at the Sun
                   С
D
Strewn around the room
                                                                             Em
                                                                                               G
                                                                      Just a light year from us
[Verso 2]
                                                                            D
                                                                      Hop a cab ride and we?re off
G
         Em
                                                                      ( G C G C )
( G C G C )
I recall
          С
D
Another hazy may
                                                                      [Refrão 2]
Em
Take a round in the ring
                                                                      С
                                                                                                           G
    D
Gone hungry for the win
                                                                      And all the ravens came along to play
                                                                                                                  G
                                                                                                                        Em C
                                                                                                              Em
( G C G C )
( G C G C )
                                                                      The simple notes you sang just went astray
                                                                      Em G
                                                                                C
                                                                      Astray
[Refrão 1]
                                                                      [Ponte]
C
Here?s the part I just lose everything
                                                                                                           D7
                                                                      Am
                                                                                       Am
                                                      Em
                                            Fm
                                                  G
                                                          C
                                                                      Everything was up, it?s coming down
C
And I cracked a spark just to hear you sing
                                                                                       Am
                                                                      Am
                                                                                                           D7
Em G C
                                                                      Everything was up, it?s coming down
Sing
                                                                                      Em
                                                                                                    C
                                                                      Coming down,
                                                                                      coming,
                                                                                                  coming down,
                                                                                                                   comina
