Tom: G

```
            [Primeira Parte]

Gbm              E          D        Gbm
 In an age of darkness light appears
Gbm              E          D        E
 And it wards away the ancient fears
Gbm         E        D        Gbm
 March to the anthem of the heart
Gbm         E        D        E
 To a brand new day a brand new start

[Segunda Parte]

 Gbm        E        D        Gbm  A  Gbm
To wonderlands of ice and snow
Gbm        E        D        E  E  E
In desert heat where nothing grows
Gbm        E        D        Gbm  A  Gbm
A tree of life in rain and sun
 Gbm        E        D        E  E  E
To reach the sky it's just begun

A          Gbm              E
 And as we came into the clear
A          Gbm              E
 To find ourselves where we are here
A          Gbm              E
 Who is the wiser to help us steer?
A          Gbm              E
 And will we know when the end is near?

Once children then it's now our turn
