

# Grey's Anatomy - Runnin' On Sunshine

Tom: **Bb**

**Bb**  
 Girl you got me tripping on sunshine  
 God knows you just made my day  
 Since you came around, no  
 I just can't slow down, no  
 I wanna see you walk in my way

**Bb**  
 Girl you got me thinking about diamonds  
 Gettin' down on one knee, maybe two, oh love  
 People may stop and stare, but  
 I don't even care, no  
 Just as long as I am with you

**F**  
 You got me running on sunshine  
**Eb** **Bb**  
 Ain't no clouds getting in my way

**F**  
 I must be running on sunshine  
**Eb** **Bb**  
 Ain't no rain getting in my way

**Bb**  
 Girl you got me acting real crazy  
 Chasing tail like some old dog  
 Oh I got this rocket  
 In my front left pocket  
 Ready to explode like a bomb

**Bb**  
 Something tells me your name is Lucy  
 Cause everything keeps shaking around  
 We can cop a room

Make these walls go boom  
 We can do this right here and now now now

**F**  
 Running on sunshine  
**Eb** **Bb**  
 Ain't no clouds getting in my way

**F**  
 I must be running on sunshine  
**Eb** **Bb**  
 Ain't no rain getting in my way

**Bb**  
 Hey just get over yourself  
 This ain't to good for you health  
 Hey just get over yourself

**Bb**  
 Hey just get over yourself  
 This ain't to good for you health  
 Hey just get over yourself self self self

**F**  
 You got me running on sunshine  
**Eb** **Bb**  
 Ain't no clouds getting in my way

**F**  
 I must be running on sunshine  
**Eb** **Bb**  
 Ain't no rain getting in my way

**F** **Eb**  
 No doubt, no doubt about it  
**Bb**  
 And there ain't no clouds in my sky 6x
