Capostrate na 1ª casa

[Primeira Parte]

C Em
Lying so awake, things I can't escape

Guess it's just my rotten luck
G D A
To fill my time with permanent blue
C
But I can't see above it

Guess I fucking love it
G D A
But, oh, I didn't mean to

[Refrão]

I see everything, I see everything
G D A
Don't you tell me now that I don't want it
C Em
But I did everything, I did everything

More lines on the mirror than a sonnet (Woo!)
