

# Grimes - Realiti

Tom: **Ab**  
Intro: **Ab Bb C Eb**

When we were young we used to live so used to it  
And we were scared and you were beautiful  
And when I peered over the edge and seen  
Death, as if we are always the same  
Oh, and I feel that nothing in life could  
Ever be like that again  
Cause your love kept me alive and made me  
Insane

There were moments when it seemed okay  
(But I go back alone)  
To this moment away, do you stay?  
(I go back alone)  
There were times when the music would play  
Oh o ah Ooo  
Oh, baby, every morning there are mountains to climb  
Taking all my time away  
Like, get up, this is what I see  
Welcome to reality
