

# Josh Groban - Angels

tom:  
D

I sit and wait<sup>D</sup>

Does an angel contemplate my fate?<sup>A</sup>

And do they know<sup>D</sup>

The places where we go

When we're gray and old<sup>A</sup>

'Cause I've been told<sup>Em</sup>

That salvation lets their wings unfold<sup>G Bm G</sup>

So when I'm lying in my bed<sup>C</sup>

Thoughts running through my head<sup>C D</sup>

And I feel the love is dead<sup>D C</sup>

I'm loving angels instead<sup>G D</sup>

And through it all she offers me protection<sup>A Bm</sup>

A lot of love and affection<sup>G</sup>

Whether I'm right or wrong<sup>D</sup>

And down the waterfall<sup>A</sup>

Wherever it may take me<sup>Bm</sup>

I know that life won't break me<sup>G</sup>

When I come to call she won't forsake me<sup>D Em C</sup>

I'm loving angels instead<sup>G D</sup>

When I'm feeling weak<sup>D</sup>

And my pain walks down a one way street<sup>A</sup>

I look above<sup>D</sup>

And I know I'll always be blessed with love<sup>C</sup>

And as the feeling grows<sup>C</sup>

She breathes flesh to my bones<sup>D</sup>

And when love is dead<sup>D</sup>

I'm loving angels instead<sup>C G D</sup>

And through it all she offers me protection<sup>A Bm</sup>

A lot of love and affection<sup>G</sup>

Whether I'm right or wrong<sup>D</sup>

And down the waterfall<sup>A</sup>

Wherever it may take me<sup>Bm</sup>

I know that life won't break me<sup>G</sup>

When I come to call she won't forsake me<sup>D Em C</sup>

I'm loving angels instead<sup>C D</sup>

( C C D C )  
( C D C C D )

And through it all she offers me protection<sup>A Bm</sup>

A lot of love and affection<sup>G</sup>

Whether I'm right or wrong<sup>D</sup>

And down the waterfall<sup>A</sup>

Wherever it may take me<sup>Bm</sup>

I know that life won't break me<sup>G</sup>

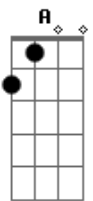

When I come to call she won't forsake me<sup>D Em C</sup>

I'm loving angels instead<sup>G D</sup>
