tom:

Intro: **Bbm** **Gb** **Ab** **Db**

I'll sing it one last time for you **Bbm** **Gb** **Ab**

Then we really have to go **Bbm** **Gb** **Ab**

You've been the only thing that's right **Bbm** **Gb** **Ab**

In all I've done **Bbm** **Gb** **Ab**

And I can barely look at you **Bbm** **Gb** **Ab**

But every single time I do **Bbm** **Gb** **Ab**

I know we'll make it anywhere **Bbm** **Gb** **Ab**

Away from here

[Refrão]

Dbadd9
Light up, light up **Ab**

As if you have a choice **Bbm**

Even if you cannot hear my voice **Gb**

I'll be right beside you dear **Dbadd9**

Louder louder **Ab**

And we'll run for our lives **Bbm**

I can hardly speak I understand

Gb
Why you can't raise your voice to say

Bbm **Gb** **Ab**
To think I might not see those eyes

Bbm **Gb** **Ab**
Makes it so hard not to cry

Bbm **Gb** **Ab**
And as we say our long goodbyes

Bbm **Gb** **Ab**
I nearly do

Dbadd9
Light up, light up **Ab**

As if you have a choice **Bbm**

Even if you cannot hear my voice **Gb**

I'll be right beside you dear **Dbadd9**

Louder louder **Ab**

And we'll run for our lives **Bbm**

I can hardly speak I understand **Gb**

Why you can't raise your voice to say

Dbadd9
Light up, light up **Ab**

As if you have a choice **Bbm**

Even if you cannot hear my voice **Gb**

I'll be right beside you dear
