

# Josh Groban - So She Dances

Tom: G

A waltz when she walks in the room  
 She pulls back the hair from her face  
 She turns to the window to sway in the moonlight  
 Even her shadow has grace  
 A waltz for the girl out of reach  
 She lifts her hands up to the sky  
 She moves with the music  
 The song is her lover  
 The melody's making her cry

So she dances  
 In and out of the crowd like a glance  
 This romance is  
 From afar calling me silently  
 A waltz for the chance I should take  
 But how will I know where to start?  
 She's spinning between constellations and dreams  
 Her rhythm is my beating heart  
 So she dances

In and out of the crowd like a glance  
 This romance is  
 From afar calling me silently  
 I can't keep on watching forever  
 I give up this view just to tell her  
 When I close my eyes I can see  
 The spotlights are bright on you and me  
 We've got the floor  
 And you're in my arms  
 How could I ask for more?

So she dances  
 In and out of the crowd like a glance  
 This romance is  
 From afar calling me silently  
 I can't keep on watching forever  
 And I'm givin' up this view just to tell her
