Tom: E

m

Venturoso aquele que tem Jesus Em

Quanto amor, quanta paz, quanta luz

Nos invadem e embalam

Em doces canções que nos calam

Socorrei aqueles que sofrem mais

Amparai, reerguei, transformai

Todas dores (tornai) em bênçãos

Em luzes suaves que alentam

Esquece o passado e vem

Vem cantar com Jesus

Na vida o que vale é o bem

Que se faz nossa luz

É chegado o tempo de plantar mais

As sementes ao solo lançai

Há uma voz que vos fala

Esquece, perdoa e trabalha

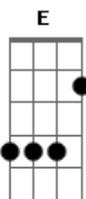

Bendize Aquele que vos criou

Erguei vossas canções ao Senhor

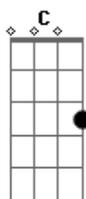

E envolvi toda a Terra

Nas luzes divinas do amor
