Intro: Gm D7(9b) Cm Cm Cm Eb7 Am D7(9b) Gm

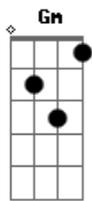

Tudo que você almeja dá pra conquistar
Quando busca o que deseja sempre vai chegar
Eu sei, que às vezes a demora apavora
Se você mantiver o foco vai realizar
Temporal e tempestade não vão te parar
Aê... Ê

Depois de passar com tudo, vendaval
Deixando as coisas fora de lugar
Fé pra recomeçar
Calma, pra ver teu sol brilhar
Força pra lutar, garra pra vencer
Sem desanimar, olha eu a ê
Vivo pra sonhar, sonho pra viver
Se for pra somar, olha eu a ê
