

Grupo de Mães Que Oram Pelos Filhos - Modelo Maternal

tom: D

Quero me espelhar
 Neste modelo maternal
 Que transformou o pranto
 Que transformou dor
 Em oração
 Que clamou santidade
 Suplicou a conversão
 Do filho seu

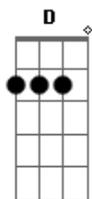

Quero profetizar
 Um filho de tantas lágrimas

Não pode perecer
 Um filho de tanto amor
 Não pode se perder
 Um filho da oração de uma mãe
 Tem vitória em Deus

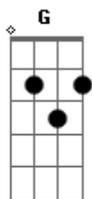

Santa Mônica exemplo de fé
 Me ajude a confiar
 A perseverar
 Pois incansavelmente como tu
 Eu quero ser

E clamar pelos meus
