

Grupo Entre Elas - Agua de Chuva No Mar

tom:

O meu coração hoje tem paz
 Decepção ficou pra trás
 Eu encontrei um grande amor
 Felicidade enfim chegou
 Como o brilho do luar
 Em sintonia com o mar
 Nessa viagem de esplendor
 Meu sonho se realizou

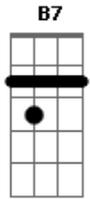

[Refrão]

A gente se fala no olhar no olhar
 É água de chuva no mar no mar
 Caminha no mesmo lugar
 Sem pressa sem medo de errar
 É tão bonito é tão bonito o nosso amor
 A gente tem tanto querer que rer
 Faz até a terra tremer tre mer
 A luz que reluz meu viver
 O sol do meu amanhecer é você
