

Grupo Kamisa 10 - Quem Tá Contigo Não Dorme (part. Léo Santana)

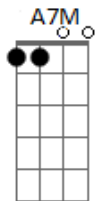

tom:
 Tô respirando, graças a Deus amanheceu, tô respirando
 É mais um dia, bora ali viver um sonho
 Hoje tá tudo conspirando
 Curte essa vibe, sente essa brisa
 Olha pro céu, só admira
 E agradeça as coisas boas que vieram lá de cima
 Que multiplica
 A vida é tão curta, então curta a vida

Na felicidade agradeça
 Que a dificuldade fortaleça
 Se a vida te derrubar
 Sacode a poeira e faz o corre
 Quem tá contigo não dorme
 Na felicidade agradeça
 Que a dificuldade fortaleça
 Humildade, pé no chão, faz o teu
 E não conta com a sorte
 Quem tá contigo não dorme
