

Grupo Logos - Homem Natural

tom:

Intro: G D F ^D Em Ebm Dm A A7

Pro homem natural, fica difícil ver as maravilhas do Reino de Deus!

A não ser que se acenda a luz do espírito, que nasce, pela fé, no

Salvador Jesus. (I Co 2:14-15)

Tal homem, é assim, (mesmo conhecedor) igual aquele que vive a

Tatear. E se acostuma (assim) a caminhar

Mas, convenhamos: Bem melhor seria ver!

Mas, quem não quer saber das coisas do Senhor

Guarda pecados que fogem da luz

Pois as densas trevas tentam esconder, o que a luz, no fim

Desvendará! (I Co 4:5)

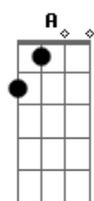

Mas, nada pode se esconder de Deus!

Os olhos do Senhor estão a procurar! (Hb 4:13)

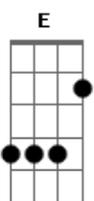

E mesmo que perdido esteja, sempre o achará!

Quer ver? Venha! Entregue sua vida a Jesus
