

Grupo Nosso Sentimento - Nosso Caso

Tom: E

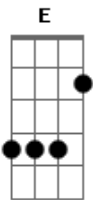

Se eu não sinto falta, penso estar curado
 Mas já vem você, pra me provocar
 Eu quis ser amigo, mas quando te vejo
 Eu não sei porque, não dá pra aguentar
 Sei que já passou a minha vez
 Que na verdade eu sou um ex
 De repente eu não sou nada
 Mas quando encontra comigo,

Não me quer como amigo,
 Quer posar de namorada
 Refrão
 Diz que não tem nada ver nós dois
 Mas na verdade não tem jeito
 Você me pede pra ficar
 Eu faço charme mas aceito
 Porque eu gosto de você
 Você também gosta de mim,
 O nosso caso é assim
