

Grupo Sampa - Coração Medieval

tom: E

Foi demais... me doe

Tanta maldade que você me fez

Mas valeu... eu aprendi a não amar assim

Me perdeu... na minha vida quer recomeçar

Mas desta vez

Não vou deixar de me fazer feliz

Tenho alguém... que agora sabe do meu coração

Ai um amor! Pra ser amado e desejado, enfim

Foi bom pra mim que apostei

A dor tem seu final

E assim

Meu coração medieval

Entrou em luta corporal

Venceu a fúria falsa da paixão

Você... meu castelo invadiu

Me feriu e eu senti

Balancei mas não caí, nem vacilei

Amei, novamente eu amei

Não perdi a majestade

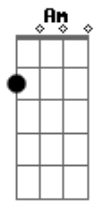

Primeira

No meu reino vc foi demais

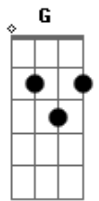

Segunda

No meu reino o amor é lei, o amor é lei !
