

Grupo Tô Di Mais - Fica Comigo

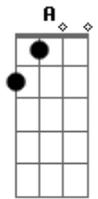

tom:

Quando eu te vejo sinto um desejo louco de te devorar
 Olho nos olhos e o nosso encanto canta pra eu te tocar
 Quem dera ver você na verdade se envolver quando em meu corpo
 há calor
 Seria bem melhor um pouco de prazer nos lindos momentos de

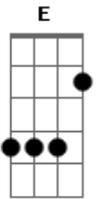

amor

Já tentei por um fim ser amigo, já tentei te esquecer não consigo
 Fica comigo sem medo aceita a paixão
 Eu não vou ser seu brinquedo
 Para de mudar assunto, para de fazer charminho
 Olha sabe eu fico puto quando não me dá carinho
