

Grupo Tom Carioca - Persistir

tom:

Intro: Gm Am Bb
C7 F D7

Não vou desistir

Nem desanimar

Um dia eu consigo chegar além

Mas sem iludir

Sem ludibriar

Não quero e nem vou magoar ninguém

Meu caminho é feito de luta e dor

Muitas pedras que me fazem tropeçar

Tenho fé que o nosso redentor

Vai me iluminar

E que a santa paz venha me abraçar

Se eu cair vou levantar

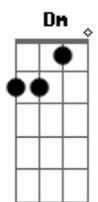

Só triunfa na luta quem sabe esperar

Eu plantei e vou colher

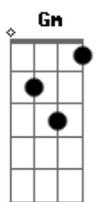

Os bons frutos da vida

Deus vai me dar
