

Gryffin - Best Is Yet To Come

tom:

Intro: Dbm B Gbm A

[Primeira Parte]

Been following signs on the road, ooh
Pretendin? to know where to go
Now we?re bending and breaking the mold
(Breaking the mold)
Searching for hope, out on our own

[Pré-Refrão]

Don?t know what comes next
Haven?t been there yet
But we feel the weight on our shoulders, ooh
It?s a wild ride
Only got one life
And we?ll take on whatever it throws us

[Refrão]

Always living on the run
Never setting with the sun
Our hearts have broken and they?ve loved
But we?re still young
And the best is yet to come
And the best is yet to come
And the best is yet

[Segunda Parte]

Living our life to the full
Chasing our dreams as we go
When it?s taking a toll we will hold on
Searching for hope, out on our own

[Pré-Refrão]
