

# Guardian - See You in Heaven

tom: B

B E Gb B Gb  
Is the only thing that hurts more than you

B E  
I see a picture of a little child  
Abm Gb  
Standing alone, wondering where you are  
B E  
I can't believe how this child has grown  
Abm Gb  
Living this life, sometimes so alone

B E  
It's hard to say goodbye, my friend  
Abm Gb  
But this waiting can last forever  
B E  
Sooner or later, the sun must set  
Abm Gb  
Ending this time together

E Gb Abm  
I wish that I had one more chance  
Dbm B Gb  
To spend another day with you  
E Gb Abm Gb  
But even though I know I can't, I'll see you in heaven  
Gb  
I'll see you in heaven

[Refrão]

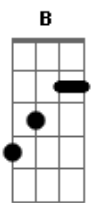

B E  
The only thing that hurts more than losing you  
Abm Gb  
Are all of the years of living without you  
B E  
I wanna run back to you  
Abm Gb  
And show you the life I've lived without you  
Dbm  
'Cause living without you

E Gb Abm  
Wishing I had one more chance  
Dbm E Gb  
To have you hold me once again  
E Gb Abm Gb  
And even though I know you can't, you'll hold me in heaven  
Gb  
You'll hold me in heaven

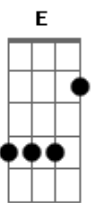

[Refrão]

A E G  
I've let so many years of life go by, thinking it's all worked out  
A E G  
Gb (hold Gb)  
Now I realize I do know how to say that it's over, and let you go for now  
E Gb Abm  
Still, I wish that I had one more chance  
Dbm E Gb  
To say "I love you" one more time  
E Gb Abm Gb  
And even though I know I can't, I'll say it in heaven  
Gb  
I'll say it in heaven
