

Gui Ramalho - Interior de Mim

tom:

Intro: Bm E7 A A7M Gbm

Eu escolhi o samba

Pra ver se assim eu mexo contigo

Pra ver se enquanto ela requebra ela quebra

Esses conceitos bobos sobre nós

Eu nunca vi desse jeito

Acostumei com ela sempre

Tal tal tal tal tal

E agora vem de meias palavras

E7 A7M
E só quer saber do mar

É que eu não sou marinheiro

E o som desse pandeiro

Nem vem do litoral

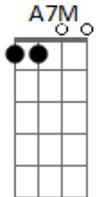

Vem lá do interior de mim

Pro interior de ti
