

Guilherme Arantes - Muito Diferente

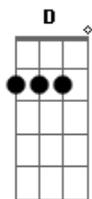

Tom: D

(intro) D A7 D A7 Em Em (D) A Em

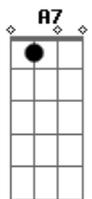

Sua verdade é o que me atrai, ensina o que eu não sei
 Está em toda parte, onde eu chamar seu nome
 Onda de luar, me bateu no coração, quebrou o meu silêncio
 Entrou o seu perfume

Prazer em conhecer, o gosto sem igual
 Da tal felicidade bom saber, que há sempre um tempo pra gostar
 Sem pressa de gozar
 Sem nada a se provar, nenhuma explicação
 Pra força que nos une
 O amor que toma conta da vida da gente
 Por amor..o mundo fique muito diferente
