Bbm
Lonely
Gb
Trying to stay the same

I wish that i could escape from myself
Bbm
But the beast feeds on itself
Bbm
?Cause every old man

Should know what's better

And every ghost doesn't know

Where he lost his head
Ebm
By any chance
Fm
Should we believe what they say?

No, no!
Bbm
Wise men talk

?Cause they have something to say

Fools, ?cause they have to say something

But of course only the wise

Knows how to silence

Should stay?

Shall we say?

Maybe someday fall our illusions

Ebm
Should stay?

Shall we say? Bbm

Is a revolution? Gb Ebm

Or is it how we say Bbm

Goodbye to ourselves?

(Fix me, love me, trust me, hold me) Bbm

Is not emotion?

(Help me, save my feelings) Gb Ebm

Is not our mistake? Bbm

Our lost war? Bbm

Bbm
