                                                                I used to be wasted, always tried to take it,
                                                               Take it down into my vein.
             She said, "You ain't spe-cial,
                                                               I call the doctor, he's just another,
                                               so who you
                                                               He said I'm sick in the brain.
He said, "You ain't special so who you foolin'?
fool-in'? Don't try ta give me a line"
