Em                 C
Crash diet of reds'n'ludes
          G                 D
A shot of vitamin c and a bottle of booze
Em                    C
Too stupid to live with nothin' to lose
            G
In your one track mind now
D
Where's that leave you?
Em                  C             G
Drink'n'drive white lightning faster baby
               D
Takin' your last ride
Em               C
Now better be so careful
           G                 D
Or you'll be dead before your time
Em    C    G        D
Sorry you took mother's car now
Em                   C
Tears in my eyes, baby please don't go
             G                 D
You bet (?!) one too many, now one for the road
Em                   C
Fresh outta detox, fresh from jail
G                         D              Em
Took your rehabilitation and you drove me to hell
                    C
Drink'n'drive white lightning faster

G                     D
Takin' your last ride
Em               C
Better be so careful
             G                 D
Or you'll be dead before your time
Em    C    G        D
Sorry you took mother?s car now
Em                   C
Too soon, you thought I didn?t mean it !
G                     D
Too late for the pressure and strain
Em            C
Too bad for those who don't believe it
G                     D
Ruby street still calls your name
```

```
[Solo] Em  C  G  D

Em                              C
Itchy trigger finger and the race to be alive
            G              D
Smokin' a cig while you drink'n'drive
Em                          C
With no control in your life ahead
G                            D
You're never gonna see if you wind up dead

Em                    C
Drink'n'drive white lightning faster baby
G               D
Takin' your last ride
Em                      C
Now better be so careful
              G                  D
Or you'll be dead before your time
Em                  C
Drink'n'drive white lightning baby
G               D
It's always on your mind
Em              C        G            D
Push or pull your limits baby, do it one more time
Em        C
Break it down
G         D
Break it down
Em              C
Somethin''s changin'
G              D
Somethin''s breakin'
Em          C        G            D
You gotta be a brother, 'coz ?! your family!
Em                C
Oh make it one more time oh baby!
G            D
Sweet mystery
Em
Ooohhhh
C              G
If you don't care about yourself
 D
Would you please leave me alive
Em                  C
Oooohhhh...you gonna
G            D
You gonna drink'n'drive
Em            C
Oooohhhhh, Yeeaaah

[Final] G  D  Em
