Tom: **G**

Guitar Solo (Slash)

Deve-se afinar a guitarra meio tom a baixo, como em todas as músicas do guns

**Gbm** **Gbm** **Gbm** **Gbm**  
Tell everybody that I am sorry, truly sorry  
**D** **E** **A**  
For all the wrong I've done  
**Gbm** **Gbm** **Gbm** **Gbm**  
I never meant to hurt nobody, no no  
**D** **E** **A** **Bm Dbm**  
Lord I never want to do no wrong  
  
**D** **Dbm**  
And I have lied, and I have begged and I have cheated  
**Bm** **A** **A7**

And I know my ship, it won't be coming in  
**D** **Dbm**  
And as I lay me down to take my rest  
**Bm** **D** **G** **A** **(A A)**  
I can see that it's just dust in the wind

Take hold my hand, and hold it tighter, ever tighter  
You must believe that I love you still  
But my strength, it grows weaker, and weaker  
And my body has lost its will

'Cause I have lied, and I have begged and I have cheated  
And I know my ship, it won't be coming in  
And as I lay me down to take my rest  
I can see that it's just dust in the wind

Solo: Mesmos acordes dos versos

**Gbm** **D**  
Oh Lord, I have lost once again  
**Db** **Gbm** [ **Eb** **E** **F** ] **Gbm** (as notas

And there's no one to help me find my way home  
**Gbm** [ **E** **Eb** ] **D** **A** **D** **A**  
Lord and I, Lord I never want to hurt nobody  
**D** **A** **Bm Dbm**  
And I, Lord I never want to do no wrong  
  
**D** **Dbm**  
'Cause I have lied, and I have begged and I have cheated  
**Bm** **A** **A7**  
And I know my ship, it won't be coming in  
**D** **Dbm**  
And as I lay me down to take my rest

I can see that it's just dust in the wind
