

Guns N' Roses - Hard Skool

```
If that were true, it wouldn't matter anyway
                                tom:
                                                                        [Solo] Em B Am
                  Ebm (forma dos acordes no tom de Em )
                               Afinação: Eb Ab Db Gb Bb Eb
                                                                               C G Em
Intro: C B7 Em G C B7 Em
                                                                               Em B Am
                                                                               [Primeira Parte]
                                                                               G Cm Bb C
                  B7 Em
  All cautions made, every chance was given
               В7
                                                                        Ayy-ayy, ayy-ayy
                         Em
  No effort spared to save what we had
                                                                                  Cm
                B7
                        Em
                                                                        Ayy-ayy, ayy-ayy
  All in good faith I would not hesitate
              B7
                         Em
                                                                        ( C Am F )
( E C D )
 To extend myself and lend you my hand
[Refrão]
                                                                        [Refrão]
But you had to play it cool, had to do it your way
                                                                                                   Em
                                                                        But you had to play it cool, had to do it your way
Had to be a fool, had to throw it all away
                                                                        Had to be a fool, had to throw it all away
Too hard school and you thought you were here to stay
                                                                                                                 B Am
C G Em If that were true, it wouldn't matter anyway
                                                                        Too hard school and you thought you were here to stay
                                                                                                               G Em
                                                                        If that were true, it wouldn't matter anyway
                                                                                         Em

                                                                        Had to play it cool, had to do it your way
                                                                        Had to be a fool, had to throw it all away
                                                                                                                 В
[Segunda Parte]
                                                                        Too hard school and you thought you were here to stay
                                                                                        C
                                                                                                               G Em
                    Em
                                                                        If that were true, it wouldn't matter anyway
               B7
  As tempers fade, and lies forgiven
              B7
                              Em
                                                                        (B C Db D)
                                                                        ( Eb E F Gb )
( G Ab A )
 No cause embraced could break what we had
        B7 Em
 In its place, a storm is liftin'
                                                                        (Bb B C D)
 I would've thought you could be more of a man
                                                                        [Refrão Final]
[Refrão]
                                                                        Had to play it cool, had to do it your way
                           Em
But you had to play it cool, had to do it your way
                                                                        Had to be a fool, had to throw it all away
                                 G Em
                                                                                                                B Am
Had to be a fool, had to throw it all away
                                                                        Too hard school and you thought you were here to stay
                                                                                                               G Em
                                         B Am
Too hard school and you thought you were here to stay
                                                                        If that were true, it wouldn't matter anyway
