Am C  
When I look into your eyes  
G  
I can see a love restrained  
Am C  
But, darlin', when I hold you  
G  
Don't you know I feel the same?

Am C  
'Cause nothin' lasts forever  
D G  
And we both know hearts can change  
Am C  
And it's hard to hold a candle  
D G  
In the cold November rain

Am C  
We've been through this such a long, long time  
D G  
Just tryin' to kill the pain, oh, yeah

Am  
But lovers always come and lovers always go  
C G  
And no one's really sure who's lettin' go today  
Walking away

Am  
If we could take the time to lay it on the line  
C G  
I could rest my head just knowin' that you were mine  
All mine

Am C  
So, if you want to love me

D G  
Then, darlin', don't refrain  
Am C  
Or I'll just end up walkin'  
D G  
In the cold November rain

Am D  
Do you need some time on your own?  
Am D  
Do you need some time all alone?  
Am D  
Everybody needs some time on their own  
Am  
Don't you know you need some time  
D  
All alone?

Em C G  
I know it's hard to keep an open heart  
Em C G  
When even friends seem all to harm you  
Em C G  
But if you could heal a broken heart  
Am D  
Wouldn't time be out to charm you?

Am D G  
And when your fears subside and shadows still remain  
Oh, yeah  
Am D G  
I know that you can love me when there's no one left to blame  
Am D G  
So never mind the darkness we still can find a way  
Am D G  
'Cause nothin' lasts forever even cold November rain

Am D  
Do you need some time on your own?  
Am D  
Do you need some time all alone?  
Am D  
Everybody needs some time on their own  
Am  
Don't you know you need some time  
D  
All alone?
