

Guns N' Roses - November Rain

tom:

E

E Dbm
When I look into your eyes

B
I can see a love restrained

E Dbm
But, darlin', when I hold you

B
Don't you know I feel the same?

Dbm Gb
'Cause nothin' lasts forever

B
And we both know hearts can change

Dbm Gb
And it's hard to hold a candle

B
In the cold November rain

E Dbm
We've been through this such a long, long time

B
Just tryin' to kill the pain, oh, yeah

E
But lovers always come and lovers always go

Dbm B
And no one's really sure who's lettin' go today

Walking away

E
If we could take the time

To lay it on the line

Dbm
I could rest my head

B
Just knowin' that you were mine

All mine

Dbm Gb
So, if you want to love me

B
Then, darlin', don't refrain

Dbm Gb
Or I'll just end up walkin'

B
In the cold November rain

E Gb
Do you need some time on your own?

E Gb
Do you need some time all alone?

E Gb
Oh, everybody needs some time on their own

E Gb

Oh, don't you know you need some time all alone?

Ebm E B
I know it's hard to keep an open heart

Ebm E Dbm
When even friends seem out to harm you

Ebm E B
But if you could heal a broken heart

Ebm E Gb
Wouldn't time be out to charm you?

E Dbm
And when your fears subside

B
And shadows still remain

Oh, yeah

E Dbm
I know that you can love me

B
When there's no one left to blame

Dbm Gb
So nevermind the darkness

B
We still can find a way

Dbm Gb
'Cause nothin' lasts forever

B B Ab Gb
Even cold November rain
